Adolescent Medicine Core Privileges

Qualifications

Minimum threshold criteria for requesting core privileges in adolescent medicine:

- Basic education: MD or DO
- Successful completion of an ACGME or AOA-accredited residency in family medicine, pediatrics, or internal medicine, followed by successful completion of an accredited fellowship in adolescent medicine.

AND

- Current certification or active participation in the examination process (with achievement of certification within 5 years) leading to certification in adolescent medicine by the ABP or ABIM, or a Certificate of Added Qualifications in adolescent medicine by the ABFM or in adolescent and young adult medicine by the AOBP. (**Members of the Staff prior to the adoption of Bylaws 10/2007 are considered grandfathered in and are encouraged but not required to achieve board certification*)

Required previous experience:

- Provision of clinical ambulatory or inpatient services, reflective of the scope of privileges requested, to 25 adolescent patients during the previous 12 months or successful completion of an ACGME- or AOA-accredited residency or clinical fellowship within the prior 12 months.

References for New Applicants

A letter of reference should come from the director of the applicant's adolescent medicine training program. Alternatively, a letter of reference regarding competence should come from the chief of adolescent medicine at the institution where the applicant most recently practiced.

Reappointment

Reappointment should be based on unbiased, objective results of care according to the organization's existing quality improvement measures. Applicants must demonstrate that they have maintained competence by showing evidence that they have provided adolescent medicine inpatient or consultative services for at least 50 patients in the past 24 months. Evidence of current physical and mental ability to perform privileges requested is required of all applicants for renewal of privileges.
