## Nancy and Joe Liberty Endowment Fund

*On December 29, 2016 Midland Memorial Foundation was honored with a \$100,000 gift from Nancy and Joe Liberty to establish the Nancy and Joe Liberty Endowment Fund. Both have been active in the Midland through the years and have a passion for community service and Midland Memorial Hospital.*

Nancy and Joe were married in their hometown of Big Spring in September 1957. After studying in Austin at the University of Texas, they moved to Midland in 1962. Joe began his career as a financial advisor serving both institutions and individuals in West Texas. During his career, Joe was honored to be among the Top 100 Financial Advisors by Registered Rep Magazine.

They are the proud parents of two sons, Todd and Blake and 5 grandchildren. The Liberty's were impressed with Midland Memorial Hospital and realized with the birth of their son, Blake, that the hospital was indeed a first rate medical center. Blake, who became an outstanding young man, was born prematurely with several complications which required an extended stay at MMH. Since then, Joe has given back to MMH by serving as Financial Advisor to the Midland Memorial Foundation for 25 years, until his retirement. He helped establish the Estate Planning Seminar with Midland College that will celebrate

its 20th anniversary this year. He also introduced public finance experts to the hospital that led to the establishment of the Midland County Hospital District.

Midland Memorial Foundation and Midland Memorial Hospital join together in thanking Nancy and Joe for their generous donation to establish the Nancy and Joe Liberty Endowment Fund. Once matured, this unrestricted endowment fund will provide funding for the annual endowment gift from the Midland Memorial Foundation to Midland Memorial Hospital for state-of-the-art equipment, technology and programs. Their endowment will help to ensure that quality healthcare will be available at Midland Memorial Hospital for generations to come. Thank you Nancy and Joe for your long history of dedication to MMF and MMH.

**“We have a strong desire to give back in some way to the people of Midland. This endowment is a small way of saying thanks to all the wonderful people of the city.”**

# Edward L. “Pete” Carter, M.D. Anesthesiology and Operating Room Endowment Fund

*On August 30, 2016, Midland Memorial Foundation was saddened to learn of the death of Dr. Edward L. “Pete” Carter, a selfless and dedicated Anesthesiologist, who served Midland Memorial Hospital and the community for over three decades.*

Following his graduation from Texas Tech University in 1977 with a Bachelor of Science in Microbiology, Pete followed his lifelong dream of attending medical school at the University of Texas Medical Branch in Galveston, Texas. Upon graduation from medical school in 1982, he pursued a residency in anesthesiology at UTMB.

Pete was fortunate to meet the love of his life, Linda, a cardiothoracic nurse, while both were working in the operating room at John Sealy Hospital. Following the completion of his residency, he and Linda were married in Oklahoma City, Oklahoma and moved to Midland, Texas, Pete’s beloved hometown.

From the beginning of establishing his anesthesia practice, Pete proved to be a selfless and dedicated provider, and he possessed a true love for practicing medicine. However, his true love, greatest joy, and utmost accomplishment came from the births of Pete and Linda’s three beautiful daughters, Erica, Michelle and Alaina. Watching their daughters grow up to be loving, caring, and successful, independent women gave Pete immense pride and unbelievable happiness as a father and husband.

To quote his oldest daughter, Erica, “Dad was a true mentor and loved to teach. Practicing anesthesia

was truly a passion in life, and everyone who met and knew him recognized that quality in him. He was so proud of his service to Midland Memorial Hospital for over 30 years as an anesthesiologist. He was privileged to lead the anesthesia department as Chief of Anesthesia multiple times in his career. He was always optimistic and loved his coworkers and patients. He made a memorable impression on everyone he met.”

⤴ Dr. Edward L. “Pete” Carter is remembered for his big heart and unending love for his patients, friends, and family.

After Dr. Pete Carter’s death, the family asked that memorial donations be given to the Edward L. “Pete” Carter, M.D., Memorial Fund, and from this Memorial Fund the Edward L. “Pete” Carter, M.D., Anesthesiology and Operating Room Endowment Fund was established.

Midland Memorial Foundation is pleased that Dr. Carter’s friends and loved ones have honored his life through this perpetual fund that will be used to provide support to Anesthesiology and the Operating Room for years to come. Pete’s unending service continues to benefit our hospital and community. Thank you for honoring MMF by memorializing our friend and colleague Dr. Pete Carter.

# Remembering a Friend of Midland Memorial Hospital

*Midland Memorial Foundation was saddened to hear of the death of William F. (Bill) Pennebaker, Board of Governor Emeritus on October 14, 2016.*

Bill will be remembered as an active and dedicated member of the community, serving for and leading many organizations that have enriched the lives of Midland citizens.

He was a member of the Midland Memorial Hospital Board of Trustees from 1967-1973. In 1976, he accepted the lifetime appointment to the Midland Memorial Foundation Board of Governors, followed by Governor Emeritus in 1993.

After graduating at the top of his class in flight school with the Army Air Corps, he was named second in command of the 390th Bomb Group in 1943. From Parham, England, he led 44 bombing missions into France and Germany through March 1945, when he left the Army Air Corp as a Lieutenant Colonel.

Following the war, Bill graduated from Yale Law in 1947 and took a job in Shell's new office in Midland. Later, he joined the law firm of Stubbeman, McRae, and Sealy in 1951, where he worked as a partner until he retired in his 80s. Bill was a mentor to many of today's senior lawyers in Midland and around the state.

Bill met his wife Elizabeth (Liz) Whiting in Cambridge, Massachusetts, and they were married in 1948. Throughout the years, they enjoyed an active social and cultural life in Midland. The Pennebaker family expanded with the birth of Jamie in 1950, Ward in 1953, and Mary in 1956. In all of his children, Bill encouraged intellectual curiosity, healthy skepticism, and a sense of adventure.

After Liz's death in 1990, Bill organized and enjoyed a number of rafting trips at Big Bend. He married Dorothy Applegate in 1993, and the two traveled frequently. Dot and Bill split their time between her house in Charleston, S.C. and his in Midland. Dorothy predeceased him in 2013.

We are grateful for Bill's many years of service to MMH and MMF and for his wish to leave a generous donation to the Foundation in his will. His contributions to the advancements of Midland Memorial Hospital are immeasurable and contribute to the mission of providing the best possible healthcare to patients at MMH. Bill Pennebaker leaves a wonderful legacy and will be missed by all of us.

# Board of Governors' Dinner

*The Annual Board of Governors' Dinner hosted by the Midland Memorial Board of Governors was held the evening of January 26, 2017, and provided the opportunity to honor incoming and outgoing board members and time for visiting with each other.*

Midland Memorial Foundation is extremely grateful to our board members and donors for their commitment to Midland Memorial Hospital. # Luigi's Restaurant and the Hochman Family Gift to Nurses

*Last fall, Michael Hochman provided gift certificates to Luigi's for the nurses at Midland Memorial Hospital; honoring and thanking them for the great work they do for the patients at MMH.*

Patsy Hochman was a beloved member of the MMH nursing staff for 30 years. The Patsy Hochman, R.N., Nursing Scholarship Endowment Fund was established in 2008 in memory of Patsy.
