## The 2017 Annual Endowment Gift

*Midland Memorial Foundation is delighted to announce that the 2017 annual endowment gift to Midland Memorial Hospital was \$927,990. This is the largest annual gift MMF has ever provided to the hospital, and we have our donors to thank! Each year, 4% of each matured endowment fund's three-year averaged investment earnings is utilized to support vital needs at the hospital.*

In September 2017, MMH's executive leadership team presented an urgent need to replace all 58 defibrillators and 16 automatic external defibrillators utilized by the hospital. The current defibrillators were recently recalled by the FDA for battery failure, which has caused a concern in the availability of replacement batteries if failure occurs. The replacement of all defibrillators will provide MMH

with the latest in biphasic technology, including Wi-Fi monitoring to ensure that every defibrillator is equipped and available when needed. This provides assurance to not only our staff, but also to our patients who depend on these devices for life support measures.

The latest technology will also provide MMH with real-time heart rhythm monitoring and determine whether an organized shockable rhythm has developed. When used with pediatric patients, the system will automatically reduce the shock energy level to a lower protocol all while continuing to monitor the patient's rhythm. The 2015 AHA and ERC guidelines emphasize the importance of maximizing the proportion of time spent delivering chest compressions. The latest defibrillators on the market now provide real-time monitoring for compressions, and provide audio and visual feedback to guide rescuers for consistent delivery of high quality CPR.

If you are interested in learning more about how you can make a lasting impact at Midland Memorial Hospital for patients and their families through a gift to our endowment fund, please contact Nancy Woodman at (432) 221-1572 or [nancy.woodman@midlandhealth.org](mailto:nancy.woodman@midlandhealth.org).

## Remembering Ted Collins, Jr.

*Midland Memorial Foundation was saddened to learn of the passing of Board of Governor, Ted Collins, Jr. on January 28, 2018. Our thoughts and prayers are with his family.*

In 2014, Ted was appointed to serve on the Midland Memorial Foundation Board of Governors. He was committed to the mission of Midland Memorial Hospital, and was a generous supporter of various projects. Midland Memorial is forever grateful to Ted's dedication to the success of building the patient tower in the *Campaign for Tomorrow*.

Building and supporting a successful community was clearly a priority to Ted. In 2003, he received recognition from the Association of Fundraising

Professionals, Permian Basin Chapter as the Outstanding Philanthropist of the Year. This was just one of many awards Ted received during his lifetime. Ted was known, and will be remembered, as a successful, intelligent, and kindhearted man.

In addition to loving his career in the oil and gas industry, Ted loved spending time with his family. He was very proud of his three sons: James Patrick Collins, Christopher Michael Collins, and Ted Collins III, and cherished his five grandchildren. Ted was happiest when spending time with his wife, Diana. They loved walking their dog, traveling, and relaxing in each other's presence.

Midland lost a remarkable member of the community and Ted will be greatly missed by all.

Paula and Jim Henry

## Paula and Jim Henry Endowment Fund

*Midland Memorial Foundation is delighted to announce the establishment of the Paula and Jim Henry Endowment Fund. MMF is grateful they have created a perpetual fund that will support individuals seeking advanced healthcare knowledge and degrees for many years to come. The Henrys' continual dedication and generosity to support Midland Memorial Hospital is truly valued.*

Paula and Jim married on January 11, 1964 in Midland, Texas. They briefly lived in Tulsa, Oklahoma, before settling down in Midland to raise their three children. For over 30 years, the Henry family has been involved with supporting various projects and programs at Midland Memorial Hospital. From state of the art facilities to educational scholarships, the Henrys have made a tremendous impact on MMH patients and employees. More recently, the

Henrys assisted in funding a scholarship to support the education of a MMH employee attaining a Doctorate of Pharmacy degree.

In 2012, Paula accepted the position to serve on the Midland Memorial Foundation Board of Governors, and continues to be an active member. The forward thinking and generosity of Paula and Jim is a testament to their commitment in ensuring quality healthcare is readily available to the Midland community.

The process of creating a named endowment fund is quick, easy, and everlasting! If you are interested in learning more about creating a named endowment fund that will benefit healthcare for generations to come, please contact Nancy Woodman, Executive Director at [nancy.woodman@midlandhealth.org](mailto:nancy.woodman@midlandhealth.org) or (432) 221-1572.

# The Marquez Family Endowment Fund

*Midland Memorial Foundation is excited to announce the establishment of **The Marquez Family Endowment Fund.***

When establishing The Marquez Family Endowment Fund, Aron Marquez noted that his commitment to our community and its future necessarily invests him in the success of MMH. Aron said, “I know of no better way to promote the success of the hospital than with this endowment fund.”

Aron, who has lived in the Permian Basin for most of his life, returned in 2005 to pursue a career in the oil and gas industry after living elsewhere for several years. When asked what makes the Midland community unique compared to other communities, Aron said, “Midland is a close-knit, generous community. I’ve noticed a greater sense of volunteerism here than anywhere else I’ve lived.”

Understanding that quality healthcare is critical to the success of a community, Aron says that a vibrant local healthcare system is a component to the success of his business as he recruits employees to Midland. Additionally, the Permian Basin is home to Aron and his family, and access to great healthcare is important.

With the opportunity to live elsewhere through his business endeavors, Aron says he lives in Midland

by choice and that choice includes a commitment to the community. Supporting MMF is an essential part of that commitment for Aron.

Midland Memorial Foundation is extremely grateful for Aron’s generosity and dedication to the mission of Midland Memorial Hospital. Aron currently serves on the Midland Memorial Foundation Memorial Forum as Vice Chairman. The Memorial Forum is a board of emerging leaders that is engaged with learning about the needs and developments in the healthcare industry, and more specifically at MMH.

If you are interested in establishing a Named Endowment Fund like Aron has, please contact Nancy Woodman at (432) 221-1572 or by email at [nancy.woodman@midlandhealth.org](mailto:nancy.woodman@midlandhealth.org).

## Best Charitable Gifts to Make in 2018

*With the introduction of tax reform this year, you may be looking at your finances and wondering how you can continue to be charitable in 2018. There are many ways you can make a difference at Midland Memorial Foundation while enjoying financial benefits for yourself.*

Here are some smart ways to give in 2018:

- **Donate appreciated stock:** With the stock market at or near all-time highs, give your appreciated stocks to a nonprofit like Midland Memorial Foundation and eliminate capital gains tax.
- **Name us as a beneficiary of retirement plan assets:** These assets remain taxable when distributed to a loved one but are tax-free when given to a nonprofit organization like ours.
- **Give from your IRA (if age 70½ or older):** Regardless of whether you itemize your taxes, this gift helps you fulfill your required minimum distribution and is not considered taxable income.
- **Gifts of real estate:** Many real estate markets are enjoying gains. Appreciated real estate may be subject to capital gains tax unless donated to charity or transferred to a charitable trust.

### Talk With Your Tax Professional

There are many ways you can give this year that not only make a difference at Midland Memorial Foundation, but offer you benefits as well. Please consult with your tax or financial advisors to determine the best charitable giving strategies for you.

We are so grateful for your generosity. Please contact Nancy Woodman at (432) 221-1572 or [nancy.woodman@midlandhealth.org](mailto:nancy.woodman@midlandhealth.org) to discuss how your gift can help further our mission.
