## A Treasure Lost in the Philanthropic Community

F. Marie Hall, Board of Governor

*Midland Memorial Foundation (MMF) was saddened by the passing of Board of Governor, F. Marie Hall on April 5, 2017.*

A treasure in the philanthropic community, Marie will forever be remembered for her impressive knowledge and insightful dedication to her passion of funding state-of-the-art equipment, scholarships, and programs at Midland Memorial Hospital (MMH) through the FMH Foundation.

Marie's level of involvement when funding a vital healthcare need at MMH has always been inspiring. She often established connections with the interdisciplinary healthcare team through site visits at the hospital to gain a holistic understanding of the provisions of delivering the best care possible to patients.

Attentive to fund needs that went above and beyond the basics, Marie brought the unimaginable to life through her unwavering kindness that has been felt by countless patients and families cared for at the hospital. Most recently, the FMH Foundation provided funding for the Look Good Feel Good Shop in the Allison Cancer Center that has provided essential needs such as a wide variety of wigs, turbans, caps, and specially formulated skin care products for patients who have endured chemotherapy treatment. This is just one of the many examples

F. Marie Hall,  
Board of Governor

of how the legacy of Marie's compassion for West Texas and quality healthcare will forever be remembered through the outstanding care that continues to be provided through her generosity.

In 2014, MMF was honored to welcome Marie as a member of the Board of Governors. Always engaged and eager to attend quarterly meetings for an update on the hospital, the pride and honor to serve as an MMF Board of Governor was apparent to all who knew Marie. MMF will truly miss her vibrant character, untiring kindness, and generosity to help others. We are forever grateful for Marie's pioneering spirit to assist in funding quality healthcare that will continue to serve patients for many generations to come.

# The Randee and Jack Rathbone Family Endowment Fund

*Midland Memorial Foundation is delighted to announce the establishment of The Randee and Jack Rathbone Family Endowment Fund, created by Randee and Jack Rathbone.*

Longtime Midlanders, Randee and Jack understand firsthand how important quality healthcare is for the Midland community and the impact it has on Midland Memorial Hospital (MMH) patients. Over the years, trusting MMH with the care of loved ones has been met by a professional and caring staff that the Rathbones describe as “kind and helpful individuals that go out of their way to meet the needs of patients and family members.”

During Jack’s time working for Mobile Oil, the Rathbones had the opportunity to live in various places across the United States and in different parts of the world. However, when Jack was transferred to Midland to serve as President of Mobile Producing Texas and New Mexico headquartered in Midland, the Rathbones planted their roots, stating that “making Midland home was easy.”

Randee and Jack settled in Midland with their four children: Ryann, their eldest daughter, who is married with three children living in Austin, Texas; Kelly, their second daughter, who is married with two children

living in Portland, Oregon; Jackson, their son, who is married with two children living in Studio City, California; and Brittney, their youngest daughter, who just began her first year of nursing school at LSU.

Proud of the Midland community, the Rathbones described supporting Midland Memorial Foundation through a named endowment fund as a privilege and honor for their family to help support the mission of providing great medical care in Midland for generations to come.

Midland Memorial Foundation is extremely grateful for the Rathbones commitment, and donors like you, to growing the MMF Endowment Fund that continues to provide vital healthcare needs to MMH year after year.

If you are interested in leaving a family legacy by establishing a named endowment fund that will continue to provide quality healthcare for future generations, please contact Nancy Woodman at (432) 221-1572 or [nancy.woodman@midland-memorial.com](mailto:nancy.woodman@midland-memorial.com).

# The Perfect Way to Honor Someone You Love

If you have a friend or family member whose life has been touched by Midland Memorial Hospital, consider making a gift to Midland Memorial Foundation in his or her name. When you memorialize some of the most important people in your life, such as your mother, father, spouse, mentors, or other special loved ones, as part of a gift to Midland Memorial Foundation, you:

- honor that special person
- support our mission to improve the health and well-being of our community
- possibly receive personal financial benefits.

## You Have Choices

Three basic methods are available for establishing an honorary gift:

**A gift today**—An outright gift can help fund MMH's immediate healthcare needs or an upcoming project. The financial benefits include an income tax deduction and the possible elimination of capital gains tax.

**A gift through your estate plan**—You can include a gift in your will or living trust, stating that a specific asset, certain dollar amount or percentage of your estate will pass to Midland Memorial Foundation at your death in honor of your loved one.

**A gift that lives on forever**—Honorary endowments can be made now or through your estate plan. Endowments are structured so that a small portion of your gift, rather than the whole amount, is used each year to fund a particular purpose. To perpetuate the fund forever, the majority of the fund always remains intact and is invested for the future.

## We're Here to Help

Making an honorary gift is a wonderful way to acknowledge someone's vision for the future.

Contact Nancy Woodman at (432) 221-1572 or [nancy.woodman@midland-memorial.com](mailto:nancy.woodman@midland-memorial.com) to learn more about ways to recognize your honoree.

## Secure Their Future

When you create or update your estate plan, the needs of your family come first. Our new guide, *Your Loved Ones Are Counting on You*, covers important information when creating a plan with your parents, spouses, siblings, and children in mind.
