- Barbara Tom Jowell
- 2013 Brings Change to MMF Boards
- 5 Ways to Remember Midland Memorial Foundation in Your Estate Plans
- Thank You to Our Donors

## The Dorothy and Clarence Scharbauer Jr. Tower

The Vision Becomes Reality

*By 2006, hospital administrators knew that Midland Memorial Hospital's aging facilities demanded improvement if the hospital was to properly serve the Midland community in the years ahead. As the need to build all new inpatient facilities became clear, administrators faced the task of assembling the capital resources to execute this bold new vision.*

Beginning with the astounding leadership gift offered by Clarence Scharbauer, Jr., donors to the Campaign

for Tomorrow made the construction of the Dorothy and Clarence Scharbauer Jr. Tower a reality.

On Nov. 30, 2012, Midland Memorial Foundation hosted "A Night of Celebration" to honor the extraordinary, steadfast donors of the Foundation. Although renovations continue in the existing building, the Scharbauer Tower is now fully operational.

Midland Memorial Hospital has entered a new era of healthcare, thanks to the enduring support of our community, our staff, and our donors.

# John Wood Foster, Sr., M.D.

A Named Endowment Perpetuates His Legacy

*Midland Memorial Foundation was saddened to receive word that a dear friend, Dr. John W. Foster, Sr., died on Oct. 19, 2012. A gentleman, a pecan farmer, and a beloved pediatrician, Dr. Foster was born in Phoenix, Arizona, in 1928 to Louise and Glenn Foster. He was raised throughout the Southwest and later graduated from Baylor College of Medicine. He married the love of his life, Joann Evans, in 1951. Together they raised three sons: John, Jr., Bill, and Rick.*

Dr. John W. Foster, Sr.

Dr. Foster joined the U.S. Navy after three years of residency and served in Corpus Christi as the naval hospital's only pediatrician. Two years later, he joined his friend Dr. Brent Blonkvist in practice in Midland. Dr. Foster was recruited as the "school district physician" and kept his position until 2000.

John Foster's influence in the Midland community cannot be understated. He was a member of the Kiwanis Club, served on the board of the Family Counseling Service – later known as Centers for Children and Families, the Administrative Board and choir at St. Luke's United Methodist Church, the board of Southwestern University, and as Chief of Staff at Midland Memorial Hospital. Most of all, John was an outdoorsman who loved fly-fishing, bird hunting, and pulling grandchildren behind the boat.

Soon after Dr. Foster's death, his wife and sons established the John W. Foster, Sr., M.D., Endowment Fund. His many friends and former patients continue to express their love and appreciation for John through memorial contributions. The John W. Foster, Sr., M.D., Endowment Fund is a permanent fund that will provide resources for equipment, technology, and patient services at Midland Memorial Hospital. Midland Memorial Foundation is honored to administer the John W. Foster, Sr., M.D., Endowment Fund and ensure Dr. Foster's legacy of compassionate care carries on for generations to come.

LEAVE A LEGACY®

*Make a Difference  
in the Lives that Follow*

*To leave an enduring gift  
to Midland Memorial  
Foundation, please call Tricia  
Jowell Cobb, Executive  
Director, Midland Memorial  
Foundation, at  
(432) 683-7516.*

# Marilee and Ed Runyan Endowment Fund

One Gift Will Benefit Many

*Midland Memorial Foundation is happy to announce the establishment of the Marilee and Ed Runyan Endowment Fund.*

Marilee and Ed were married in Cleveland, Okla., in 1957. Just three years later they moved to Midland, Texas, and have been dedicated citizens since their arrival. Marilee and Ed have three children – Edward, Laurie, and Leigh Ann – and six grandchildren. On Jan. 16, 2013, their first great-grandson was born at Midland Memorial Hospital.

Marilee and Ed have always been mindful of their involvement in the community. Ed was an MISD Trustee and President of the School Board. He also served as Director and President of the Petroleum Club and President of the International Society of Petroleum Engineers. Ed is also an honorary member of the Society of Petroleum Engineers and AIME, and he is in the Engineering Hall of Fame at the University of Tulsa, where he is a Distinguished Alumnus. Marilee is past President of Petroleum Engineers Wives and a member of

the Ladies Auxiliary of AIME. She is also a member of PEO and several other women's organizations.

With regard to their motivation to establish their named endowment, Ed remembered, "One dark night in the hospital, we thought Marilee would die, and I suggested we fly her to Houston. A Midland doctor said he had everything he needed right at Midland Memorial and he could handle it – and he did!" Marilee and Ed established the Marilee and Ed Runyan Endowment Fund to ensure that patients continue to have all the resources necessary for safe, compassionate medical care.

As with all named endowments, the Marilee and Ed Runyan Endowment Fund is a permanent fund of which only a portion of the interest earned will be spent for patient programs and services, state-of-the-art medical equipment and technology, and staff programs targeting patient care. Midland Memorial Foundation is grateful to the Runyans for their generosity that will benefit Midlanders for generations to come.

Marilee and Ed Runyan

# Barbara Tom Jowell

Leader, Mentor, Friend

Midland Memorial Foundation is thankful for Barbara and her many years of dedicated service.

*The actor Danny Kaye said, “Life is a blank canvas, and you need to throw all the paint on it you can.” Barbara Tom Jowell has certainly added paint to the canvas of many lives through her work at Midland Memorial Foundation. Through Barbara, the past 18 years have been painted bright and vivid with deep personal connections between our community and the hospital’s historical foundation. As she enters retirement, Midland Memorial Foundation reflects on the accomplishments of an incredible leader.*

Barbara began her fundraising career in the political arena in 1988, and in 1992, she transitioned to the nonprofit sector. In 1998, she was named Outstanding Fund Raising Executive by the Permian Basin Chapter of the National Society of Fund Raising Executives and for several years, Barbara assisted area nonprofits as a consultant, providing leadership and guidance in an often tumultuous industry.

Barbara joined Midland Memorial Foundation in 1994. She was already familiar with Midland Memorial Hospital’s historical roots in the Midland community. Barbara’s mother, Mattie Tom, served with the

Midland Memorial Hospital Auxiliary for more than 33 years, and her own two daughters were born at MMH.

Having learned the vital importance of planned giving for long-range fundraising health, Barbara led the development

of the MMF planned giving program. In 1994, Barbara joined forces with Bob Dawson and Joe Liberty to devise a way to educate local attorneys and accountants regarding planned giving. They developed a partnership with Midland College to offer an annual estate planning seminar, free

of charge, to local professionals who could earn continuing education credits. The 17th Annual Estate Planning Seminar will be held May 2, 2013.

Tevis Herd and Suzy Boldrick led the effort in 2000 to help Barbara build the MMF Endowment Fund. They were joined on the committee by Decker Dawson, who Barbara calls the “Chairman of Inspiration” for MMF. The Endowment Fund has grown from \$240,000 to more than \$16 million. In 2005, the Governors added named endowments and in seven years, 36 named endowments have been created, adding approximately \$7 million to the Endowment Fund and giving a total of 40 named endowments. Under Barbara’s leadership, the MMF Nursing Education Fund and the additional nursing scholarship endowment funds continue to grow and now have more than \$1 million in available funding. Midland Memorial Foundation has given more than \$2 million in nursing scholarships since 1987.

In 2000, the Foundation was given the charge to raise \$6 million to build the Medical Office Building. As Chairman, Tevis Herd helped secure a \$3 million challenge grant from the Abell-Hanger Foundation. The full amount, and an additional \$500,000, was raised in just two years. Of the \$3 million raised, more than half was contributed by the MMF Board of Governors.

‘I want to thank all of you for allowing me the freedom for 18 years to try new things in the Foundation and for helping me execute each new idea.’

– Barbara Tom Jowell

Arden Grover suggested in 2004 that MMF form an Honorary Governors Board made up of representatives from surrounding towns. Barbara personally travelled to each community to meet with prospective ambassadors and share the vision of the new program. MMF now has 14 Honorary Governors who help spread the word about services provided by MMH that may not be available in their own communities.

Barbara recognized the need to recruit young leaders to learn the operations of Midland Memorial Hospital in order to help build the Board of Trustees and the Board of Governors. In 2006, Memorial Forum was started to help develop the next generation of leaders for MMH, and already, seven members have gone on to join the Board of Trustees.

Perhaps the greatest challenge came in 2007 when MMF was given the charge to raise \$60 million to help build a new patient tower. Barbara knew she had to have the right person to lead the effort and turned to her friend Rosalind Redfern Grover. Rosalind agreed to chair the Campaign for Tomorrow, and joined by Russell Meyers, the three worked hand-in-hand for the next five years. The Campaign exceeded the goal by raising more than \$65 million, bringing the vision to reality.

At a recent Board of Governors meeting, Barbara addressed the members. Barbara said that she considers herself blessed to have worked with a “dream board” made up of men and women who have been available in every way to help ensure the success of Midland Memorial Foundation. “I want to thank all of you for allowing me the freedom for 18 years to try new things in the Foundation and for helping me execute each new idea.” She thanked Tevis Herd and Joe O’Neill, the two Chairmen she worked with over the years and Russell Meyers for his attentive support and leadership over the past ten years.

Barbara is known for standing in the background and giving credit to those with whom she works, but her impact in our community and our hospital

is evident. Under Barbara’s leadership, Midland Memorial Foundation has received more than \$95 million to support MMH in the way of equipment, technology, and patient services. She has cemented bonds between the hospital and community members, corporations and foundations, and has brought clarity and focus to the purpose of Midland Memorial Foundation.

The final touch to the masterpiece she created at Midland Memorial Foundation came in October 2012 when her children and grandchildren established the Barbara Tom Jowell Endowment Fund in her honor. Barbara’s family knew this was the one gift Barbara would treasure most, as it will forever support the work to which Barbara has devoted herself for the past 18 years.

Midland Memorial Foundation is so thankful for Barbara and her many years of dedicated service. We would like to wish Barbara the very best in the adventures that await her in the years to come.

The Barbara Tom Jowell Endowment Fund will ensure the work to which Barbara dedicated 18 years will continue.

From left: Barbara Tom Jowell, Russell Meyers, and Rosalind Redfern Grover

## Barbara’s Leadership By the Numbers

- Endowment Fund grew from \$240,000 to **more than \$16 million**
- Number of endowments grew from four to **40**
- **\$6.5 million** raised in two years to build the Medical Office Building
- More than **\$65 million** raised in five years to build new patient tower
- More than **\$95 million** received for necessary updates for equipment, technology, and patient services

## Midland Memorial Foundation Welcomes New Executive Director Tricia Jowell Cobb

Barbara Jowell's legacy at Midland Memorial Foundation will continue through the leadership of her daughter, Tricia Jowell Cobb. Barbara has mentored Tricia for a lifetime, and in anticipation of her retirement, over the last two years, Barbara has trained her specifically to lead MMF. Once again, Barbara Jowell has ensured that the future of Midland Memorial Foundation is fully prepared for future growth and success.

# 2013 Brings Change to MMF Boards

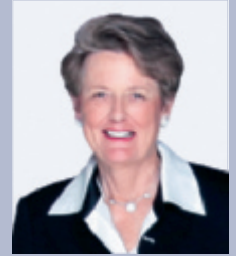

*Beginning in February 2013, Rosalind Redfern Grover took the helm as the new Chairman of the Board of Governors at Midland Memorial Foundation. She is the sixth person to chair the Board of Governors since its inception in 1945. Rosalind follows in the footsteps of her father, Mr. John J. Redfern, who served as Chairman of the Board of Governors from 1977 to 1984. Rosalind has been instrumental in the success of the Campaign for Tomorrow and we look forward to the years ahead as we work to secure the future of Midland Memorial Foundation.*

We are grateful to Joseph I. O'Neill, III for eight years of leadership and support through his service as Chairman

of the Board of Governors. Joe will remain on the Executive Committee as Immediate Past Chairman.

Midland Memorial Foundation would also like to welcome Sandra Thomas and Tim Thompson, who are moving from the Board of Trustees to the Board of Governors. In addition, Craig Campbell, Anne Johnson, and Roxane Strickling are joining the Board as new Governors. Midland Memorial Foundation will highlight our new members of the Board of Governors in the next issue of *Focus on the Future*.

Stuart Beal was elected Chairman of Memorial Forum, and we are happy to introduce new Memorial Forum member, Miles Boldrick. Jack Harper and Julia Swallow, formerly members of Memorial Forum, were elected to the Board of Trustees.

Rosalind Redfern Grover  
Chairman  
MMF Board of Governors

The future is bright at Midland Memorial Hospital, and we are thankful for the selfless support of every member of our volunteer boards.

## 5 Ways to Remember Midland Memorial Foundation in Your Estate Plans

A gift in your will, called a bequest, is not only philanthropic, it's also savvy estate planning. Here are some popular ways to make this type of gift and help us further our mission:

**Unrestricted bequest.** By making an unrestricted gift of a given sum of money or other asset, you allow us to apply the funds to our most pressing needs.

**Percentage or remainder.** You may choose to leave us a percentage of your estate or the balance remaining after bequests are distributed to your other beneficiaries.

**Trust for spouse.** In your will, you may want to place some or all of the remainder of your estate in a "QTIP" trust for the benefit of your spouse. After your

spouse's death, all or part of the trust remainder will be distributed to us.

**Life income plans.** Establish a charitable remainder trust in your will that pays an income to your beneficiaries for life or a term of years. After that, the remainder is given to us.

**Memorial fund.** You can establish a permanent memorial fund through your will and specify how we should forever use the income. The fund can be established in your name or in memory of a loved one.

Contact Tricia Jowell Cobb today at (432) 683-7516 or [tricia@midland-memorial.com](mailto:tricia@midland-memorial.com) for more information on how to include Midland Memorial Foundation in your will.

Rosalind Redfern Grover and guests  
 tour the Scharbauer Tower and learn  
 about the patient lift system, which  
 is featured in every inpatient room to  
 eliminate the strain on nurses to lift,  
 turn, or move patients.
