

WHERE TO GET YOUR FLU SHOT

Midland Community Resources

As flu season approaches, please prepare by getting your annual flu vaccine. It is an important preventative measure to help protect against influenza this season.

Midland Health Primary Care Locations – BY APPOINTMENT ONLY

Flu vaccinations are available at these locations by appointment or at a regularly scheduled visit. For a list of Midland Health Primary Care locations, visit midlandhealth.org/primarycare.

Midland Community Healthcare Services (MCHS) Locations – BY APPOINTMENT ONLY

All MCHS locations will offer flu vaccinations. All patients must have an appointment. For a list of the MCHS locations, visit midlandchs.org.

Texas Tech University Health Sciences Center (TTUHSC) Primary Care Locations – BY APPOINTMENT ONLY

Flu vaccinations are available at the TTUHSC Family Medicine, Pediatrics, OB/GYN and Internal Medicine Clinics. For a list of these locations, visit texastechphysicians.com/permian.

Other Locations Available

Please speak with your primary care provider regarding flu vaccination availability or check with your local retail pharmacy.
