

# The fastest and easiest way to access your imaging and reports

-  **Easily understand** complex terms in your reports
-  **Share your records online** with any doctor in diagnostic quality
-  **Bank level encryption** to keep your medical information secure

## How to Enroll for Access

MRN

Ensure your Medical Record Number (MRN) is listed above

**1** Go online and visit [pockethealth.com/MidlandHealth](https://pockethealth.com/MidlandHealth)

OR

### Scan the QR code

1. Open your phone camera
2. Point the camera at the QR code
3. Click on the link notification

**2** **Complete the online enrollment form** to get your available imaging records from Midland Health. This includes your past and recent exams as well as any new exams.

**3** Results will be emailed to you using a secure link. Click the link to access your imaging

For completed past & recent imaging: **24 - 48 hours after enrollment**

For recent reports: **3 days after exam date**
